

Public Notice

***The Marlow Planning Board will
hold a public hearing on:***

***Tuesday -- January 14, 2014
7:00 pm.***

At the Town Office

***To consider an amendment
extending the Village District
north and south of town.***

-- See Attached --

To see if the town will vote to extend the Village District north on Route 10 beyond its current limits, to the northern side of the Symondsville Road and east along the Symondsville Road, across the Symondsville Bridge to its junction with Washington Pond Road, then south along the eastern side of Washington Pond Road towards Route 10 and its current limits on the Mansfield Road, and to extend the Village District south beyond its current limits along the eastern side of Route 10 to its junction with Route 123 (south), then east along the north side of and across Route 123 at its junction with Telephone Road, then south to include both sides of Telephone Road to its junction with Route 10, then west from the junction of Route 10 and Telephone Road across Route 10 to the Ashuelot River, then north along the east banks of the Ashuelot River to its current limits at Mill Street. All depths shall be 300 feet from the edge of the pavement on either side. All properties on Route 10 affected by this extension will be considered in Commercial Zone I.
